

Questions to help you write your inquiry email

1. Why are you interested in joining the Dal Bello Lab to pursue your graduate degree?
2. Which of the papers from the lab sparked your interest the most and why?
3. Do you have previous research experience? Can you describe what it involved?
4. What are your research interests and how do you think they fit with the interests of the lab?
5. What are your long-term career goals? How do you expect pursuing a graduate degree will help you achieve these goals?
